Dear Sir:

On May 9, 2005 Applicants filed a Petition for Revival of an Application For Patent Abandoned Unintentionally Under 37 C.F.R. 1.137(b) and Issue and Publication fees for the above-referenced application. Applicants submitted fees of \$3,200, which represent \$1,500 for the Petition for Revival of an Application For Patent Abandoned Unintentionally Under 37 C.F.R. 1.137(b) and \$1,700 for Issue and Publication fees that were due at that time.

Although the fees paid were as for a large entity, no Revocation of Entitlement to Small Entity Status was filed at that time. Applicants respectfully request the Examiner

accept this document as a Supplement to the May 9, 2005 filings for the above-captioned matter. Applicants thus request that the application pass to issuance, and that the U.S. Patent and Trademark Office update its records to delete the small entity status claim.

The Examiner is encouraged to contact the undersigned at his convenience should he have any questions regarding this application and to resolve any issues.

If any petition is required for entry of the Notice, such petition is hereby made and please charge any fees required by this Notice, and credit any overpayment, to Deposit Account No. 04-1403.

Respectfully submitted,

DORITY & MANNING, P.A.
